Employment Services GARDEN PROJECT

Employment Services will be using the vacant property behind 3434 to build a garden. The garden will consist of produce that may not be used for profit, but can be used to provide food for nonprofit food banks, homeless shelters, group homes, etc.

Employment Services is currently looking for **SPONSORS** and **VOLUNTEERS** to assist with this project! So far, we have received one grant from OneAZ Credit Union for \$2500. This money will be used toward purchasing materials such as lumber for the beds, mulch, and soil.

We are looking to break ground on this project by December 1, 2016 and begin planting in early January. If you or anyone you know is interested in donating to this project, please contact John Perkins at 480 892 9707.
