

Volunteer Driver / Transportation Specialist

Purpose: To support the independence and self-determination of people we serve by providing safe and specialized transportation to/from home, community job sites, museums, stores, parks, restaurants, events, or any other places in the local community. Reliable transportation is the backbone of our mission of *Facilitating growth for people with disabilities through choice, experience, guidance, and respect.*

Scope: Provide or assist in providing transportation using agency vehicles ranging in size from 7-passenger mini-vans to larger 12-Passenger Lift-Equipped vans. Work as a partner with an agency staff member.

Skills/Attributes: Ability to operate motor vehicles, standard AZ Driver's License and clean driving record, optimism and desire to make an awesome difference in someone's life.

Time Commitment: Flexible schedule; most scheduled transportation happens M-F between 6-9 a.m. and 2-5 p.m., although we provide transportation all day every day, so schedule is flexible. We will work with your schedule!

Work Environment: Partner with Department Directors and transportation staff, schedulers and other drivers.

Perks: Collaborative, enthusiastic and supportive administrative team and agency culture and the great feeling that you are making a difference in someone's life.
